*** The NCAA is no longer selling the NCAA Rulebook to dealers at a quantity reduced price (and also paying initial freight). We are stocking the rulebook for the convenience of officials who want to purchase rulebook and study guides at the same time. You can save on shipping by purchasing both at the same time. Do not have a ship date for the Rulebooks. Traditionally they do not ship until mid to late June.

Other New Items are available this year so that officials can purchase Fox 40 whistles, DVD's, tabs, bags and other accessories when you purchase books. We are trying to grow with the demand of officials' needs. Remember that **Quantity Discounts are available for 10 or more items.**
